In Dedication to Mrs. Blessing

Ms. Blessing looked like a conservative, professional teacher who worked extremely hard to everyone who saw her. As her students, we saw a woman who wanted everything to be perfect, neat and tidy, just the way it was supposed to be. This was the woman we knew from the halls and in the classroom.

FCL members had the pleasure of knowing her and her energetic and passionate personality outside of her teaching responsibilities. One of the fondest memories that the senior FCL members have of Ms. Blessing is the first time we saw her let loose and dance without a care at Teen's Night Out, a dance for special education students across the county. The night had consisted, so far, of Ms. Blessing anxiously directing all of us to cook and serve dinner, as well as run the activities. Knowing she wanted the night to be perfect, she knew exactly what to do to make the night a complete hit.

After a while the song "Dancing Queen" began to play. People were looking around and wondering what was going on. And there, in the center of the room was Ms. Blessing, laughing and dancing with all of us. This being the first year that we'd known her, we could not believe what we were seeing; pictures and videos were sneakily taken; and we realized how much more there was to Ms. Blessing as a person from that night forward.

Whether it was knowing the back streets and hidden gems in Boston like the back of her hand, perfectly matching her jewelry to her outfits, the unbeatable match that she and Mrs. Pereira made when it came to flawlessly pulling off many of Grafton High School's various events, or simply her hilarious sarcasm, she was admired by absolutely everyone.

We are so incredibly lucky to have had Ms. Blessing in our lives. She showed us a passion for community service and helping others that we never would have come to enjoy without her. We looked up to her as an unsung hero in all of our lives. She made our high school years enjoyable and unforgettable. She is missed everyday, and we hope we're making her proud.

We love you Ms. Blessing,
The Members of Family and Community Leaders

Letter from the Editors

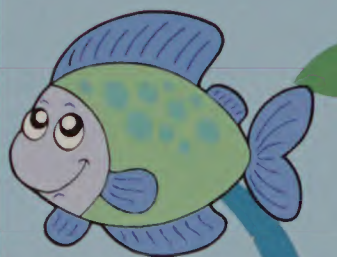

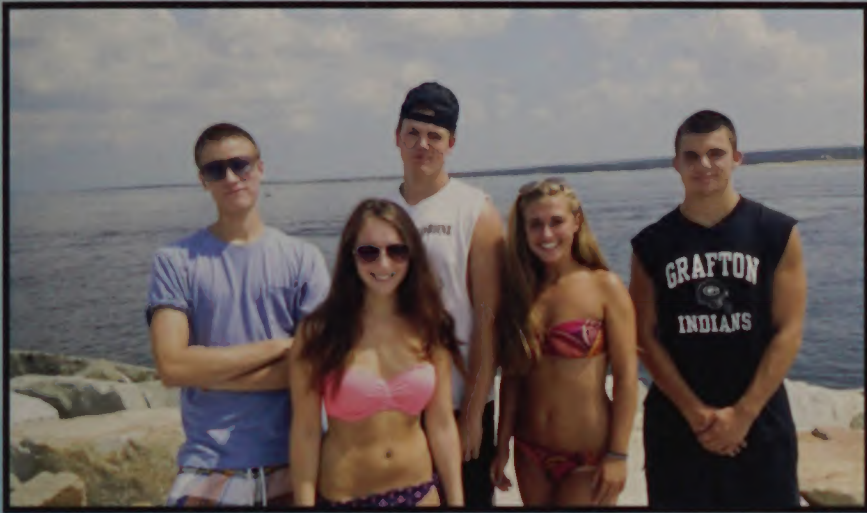

Thank you everyone for your hard work and dedication to the yearbook this year. We know we have been asking for a lot and appreciate everyone's cooperation and enthusiasm. For the past seven months we have been working hard on a yearbook we know you will enjoy. We express much gratitude to the class of 2014, without everyone these past four years of high school would not have been as memorable as they were!

Always,

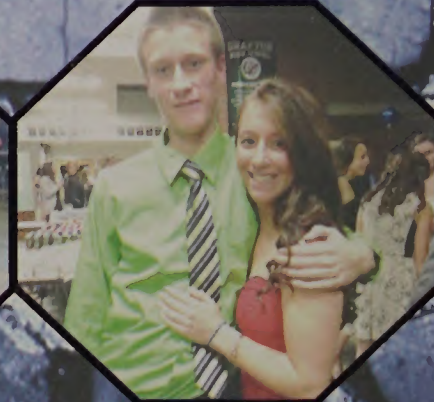

Taylor & Taylor

"We don't read and write poetry because it's cute. We read and write poetry because we are members of the human race. And the human race is filled with passion. I wanted to share my thoughts with you. Ahem...I didn't learn anything! I was right all along! If you take your time to do things the right way, your work will speak for itself. Sure, I could tell you I learned something about how my friends are always there to help me and I can count on them no matter what, but the the truth is, I already knew that, too.

Ever since you were young, you were curious, honest, funny and energetic; asking lots of questions, sharing your opinion, keeping us laughing and always on the go or ready to go! It's been fun watching you become a young man, while still maintaining these same great qualities and staying true to yourself.

Don't ever change or stop believing in yourself. You can accomplish whatever you put your mind to. Always know how proud we are of you and how much you are loved.

Congratulations Matt!
